

New Zealand Will Interest You if You Are Emigrating.

SPLENDID OPPORTUNITY FOR SMALL OR LARGE CAPITALISTS.

A WORKING MAN

with £100 capital can purchase apple land at £20 per acre on easy terms. While waiting for his orchard to mature he can earn good money by keeping pigs or poultry, or by market gardening, or by working in neighbouring orchards. There are many openings for casual labour, at good wages.

A BUSINESS MAN

who desires a profitable investment for surplus capital cannot do better than purchase an apple orchard, and have it worked and supervised by our experts. The cost of upkeep is low, the returns are large and certain. Inspection or occupation may be undertaken at any time.

A RETIRED MAN

with either a few hundreds or a few thousands can find no better situation for a splendid home, or a more profitable outlet for his money, than at the Moutere. It represents country life in its most interesting and attractive form.

ALL WHO WANT

a healthy and pleasant life in the open air, combined with interesting and profitable employment, should fully investigate the advantages offered by the Moutere apple lands. Ideal situation—pleasant work—what more could be desired?
