

The book cover features a detailed, sepia-toned illustration of an industrial factory interior. In the background, a long bridge-like structure with a series of arches spans across the top. Below it, various industrial machines, including what appears to be a large loom or textile machine, are visible. In the foreground on the right, a man's face is depicted in a close-up, wearing a hooded garment. The overall scene conveys a sense of the Industrial Revolution and its impact on society.
