

a Court. Only under an unwritten
 tion, the influence of which pervades
 re and holds it in unison, could such
 result have emerged. We are far
 e from the Continental conception
 e as a mere interpreter of rigid codes.
 udicial Committee of the Privy
 is thus a real link between the
 s and Colonies and the mother

If it is little known to the man in
 ts of the various cities which rule
 es under the ægis of the Sovereign,
 ong arm, and is a very real influence
 hing the paths of Governments as
 governed. It is impalpable. But
 e, even of those who dwell in London,
 Downing Street to see it sitting.
 t is one of the King's Courts, and is
 every citizen of the Empire and to
 se who chooses to walk in. There
 r may see advocates of every shade
 exion, and with the most varying
 pleading, or waiting to plead. A
 ing of a negro tribe is in evidence ;
 man from the Far East, come to
 nd the suit brought by an idol to
 is temple, through his next friend
 esponsible for the costs if the suit
 nst the idol ; a farmer ; a gold
