	Page
Economic significance of the sugar-beet industry in the United States.....	1
Historical development of the sugar-beet industry in the United States....	6
Description of the growing of sugar beets and of the manufacture of beet sugar.....	9
Economic considerations concerning the maintenance and growth of the industry.....	12
The tariff in its relation to the sugar-beet industry.....	19
Report on the farmers' costs of production of sugar beets in the United States for the years 1921, 1922, and 1923—	
History of the investigation.....	21
Method of investigation.....	21
Scope and representativeness of the investigation.....	24
Explanation of terms.....	33
Results of the cost investigation.....	38
Reservations by Commissioner Costigan.....	101
Appendix—Facsimile of schedules used in the investigation.....	103

### TABLES

I.	Description of the sugar-beet industry in the United States:	
	1. Sugar beets: Production in the United States, 1921-1926..	2
	2. Sugar beets: Acreage, production, and yield per acre in principal producing countries, 1909-1926.....	4
	3. Acreage and production of sugar beets and quantity of beet sugar made in the United States, 1909-1926.....	8
	4. Sugar beets: Character of labor employed in hand work on beets, 1926 and 1922.....	17
	5. Sugar: Production in the United States and its possessions, 1866-1926.....	19
	6. Rates of duty on sugar beets and sugar, 1909-1925.....	20
	6A. Imports of sugar beets for consumption in the United States, 1910-1926.....	20
II.	Scope and representativeness of the investigation:	
	7. Scope of the investigation, 1922.....	26
	8. Comparison of the 1922 average acreage of sugar beets per farm on the farms investigated with the 1919 average acreage per farm for all farms growing beets in that year.	27
	9. Relation of acreage of sugar beets harvested per farm to net costs per acre and per ton, summary, 1922.....	28
	Comparison of farms investigated in the various States with the country as a whole as regards—	
	10. Yields of sugar beets per acre.....	29
	11. Sugar content of sugar beets.....	30
	12. Sugar extracted per ton of beets.....	31
	13. Sugar content <i>not</i> extracted.....	32
III.	Costs of production and returns to growers, United States, by States:	
	14. Per acre of sugar beets harvested, 1921-1923.....	40
	15. Per ton of sugar beets harvested, 1921-1923.....	41
	16. Per pound of sugar extracted from the sugar beets, 1921-1923.....	42
IV.	Analysis of the average costs of production of sugar beets—Summary for the United States and comparison by States:	
	17. Per acre of sugar beets harvested, 1921-1923.....	44
	18. Per ton of sugar beets harvested, 1921-1923.....	46
	19. Percentage distribution of costs, 1921-1923.....	48
	20. Relation of yield to costs of production per acre and per ton, 1922.....	50
