

Towns	8 454	thousand	krónur
Parishes	1 384	—	—
Districts (<i>sýslur</i>)	422	—	—
<hr/>			
Total amount of local debt	10 160	thousand	krónur

The indebtedness of the towns is thus shown to amount to 223 krónur per every townsman; the parish and district debt, to 28 krónur per every parishioner, and the whole local debt of Iceland outstanding in 1926, to 100 krónur per head of the country's population.
